**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. I chose a competitive provider due to lack of good service from larger companies. Without competitive options for broadband my business would not be able to survive. The service that a local company has provided me has been much superior to any of the larger internet companies. Please consider keeping competitive options open for us.

Thank you,
Debbie Hansen
